June 27, 2014

Mr. Bruce Wolfe, Executive Officer
California Regional Water Quality Control Board

Subject: Region 2 Phase II Permittees Public Education and Outreach Option

Dear Mr. Wolfe,

Provisions E.7.a. (applies to traditional small MS4 Permittees) and F.5.b.1. (applies to non-traditional small MS4 Permittees) of the National Pollutant Discharge Elimination System (NPDES) Water Quality Order No. 2013-0001-DWQ (Phase II Permit) require Phase II Permittees in the San Francisco Bay Region (Region 2) to select a Public Education and Outreach option by June 30, 2014.

On January 23, 2014, the BASMAA Board of Directors approved the formation of the BASMAA Phase II Committee. The following Phase II Permittees are actively participating in the BASMAA Phase II Committee on an individual basis or through an active Countywide Program: City of Belvedere, Town of Corte Madera, County of Marin, City of Larkspur, City of Mill Valley, City of Novato, Town of Ross, Town of San Anselmo, City of San Rafael, City of Sausalito, Town of Tiburon, City of American Canyon, City of Calistoga, County of Napa, City of Napa, City of St. Helena, Town of Yountville, Sonoma County Water Agency, City of Sonoma, City of Petaluma, County of Sonoma, County of Solano and City of Benicia. These Permittees will fulfill the outreach and education requirements within their jurisdictional boundaries through a combination of options including contributing to a countywide stormwater program where relevant, contributing to a regional effort through the Bay Area Stormwater Management Agencies Association (BASMAA), and by fulfilling outreach and education requirements at the local jurisdictional level.

The Phase II Permit requires a letter or similar document to confirm collaboration with other Permittees on implementation of Provisions E.7. or F.5.b. On June 26, 2014 the BASMAA Board of Directors authorized the signing of this letter, which satisfies the requirement, on behalf of all BASMAA Phase II Committee Permittees listed above.

Sincerely,

Matt Fabry
Chair, BASMAA Board of Directors

Terri Fashing
Chair, BASMAA Phase II Committee
